Note-Giving or taking or abetting the giving or taking of dowry shall be deemed to be a misconduct for which the Government servant concerned shall be liable for disciplinary action.

[Notes-'Dowry' means any property or valuable security given or agreed to be given either directly or indirectly-

(i) by one party to a marriage to the other party to the marriage; or

(ii) by the parents of either party to a marriage or by any other person to either party to the marriage or to any other person at or before or any time after the marriage as consideration for the marriage of the said parties, but does not include dower or mahr in the case of persons to whom the Muslim Personal Law (Shariat) applies.]

[Extract From "The Dowry Prohibition Act, 1961 (28 of 1961)"- Section 2. Definition of "dowry"-In this Act. "Dowry" means any property or valuable security given or agreed to be given either directly or indirectly-(a) by one party to a marriage to the other party to the marriage; or(b) by the parents of either party to a marriage or by any other person to either party to the marriage or to any other person; at or before or any time after the marriage in connection with the marriage of the said parties, but doesnot include dower or mahar in the case of persons to whom the Muslim Personal Law (Shariat) applies.

Explanation -The expression "valuable security" has the same meaning as in Section 30 of the Indian Penal Code (45 of 1860).

Note-Streedhanam, among Christians, falls within the definition of "Dowry"-Thomas Vs. Sarakutty, 1965 K.L.T. 368.

Extract From "The Indian Penal Code (45 of 1860)"-Section 30. "Valuable Security"-The words "Valuable Security" denote a document which is, or purports to be, a document whereby any legal right is created, extended, transferred, restricted, extinguished or released, or whereby any person acknowledges that he lies under legal liability, or has not a certain legal right.]
