About Mission Vatsalya

Video

To secure a healthy & happy childhood for each and every child in India, various opportunities to enable them to develop their full potential and avoid them to be running in all respects, in a sustained manner, Mission Vatsalya promotes institutional care-institutional care of children in difficult circumstances based on the principle of institutionalization of children as a measure of last resort.

Mission

To foster a sensitive, supportive, and non-institutional environment for children as they travel different ages and stages of their development. This is envisaged to be done by strengthening the institutional framework of child welfare and protection committees and the legislative and service delivery structures in all districts of the country.
