

# Government Budget Structure

---

FINANCE ACCOUNTS & CLASSIFICATION OF GOVERNMENT ACCOUNTS

# Finance Accounts Overview

## Overview of State Finance Accounts

- Presents receipts and outgoings of the Government for the year.
- Discloses results of Revenue and Capital Accounts.
- Tracks Public Debt, liabilities, and State assets.
- Includes **Appropriation Accounts** to compare actual expenditure against Legislative Grants

# Structure of Accounts (The Three Parts)

## Classification of Government Funds

- **Part I: Consolidated Fund:** All revenues, loans raised, and repayments.
- **Part II: Contingency Fund:** Emergency fund for unforeseen needs
- **Part III: Public Account:** Government acts as a banker/trustee (e.g., GPF, Reserve Funds)

# Consolidated Fund Details

## Receipts and Expenditure

- **Revenue Receipts:** Tax, Non-Tax, and Grants-in-aid.
- **Capital Receipts:** Loans and recoveries.
- **Charged Expenditure:** Salaries of Constitutional Authorities; not subject to vote.
- **Voted Expenditure:** Requires approval by the Legislature.

# Six-Tier Classification System

## How Your Budget is Organized

- Major Heads: Functions
- Sub-Major: Sub-functions Programmes
- Minor Heads: Specific Programmes
- Sub Heads: Schemes
- Detailed Heads: Sub-schemes
- Object Heads: The final purpose (Unit)

**E.g. 2014 00 102 05 00 01 01**

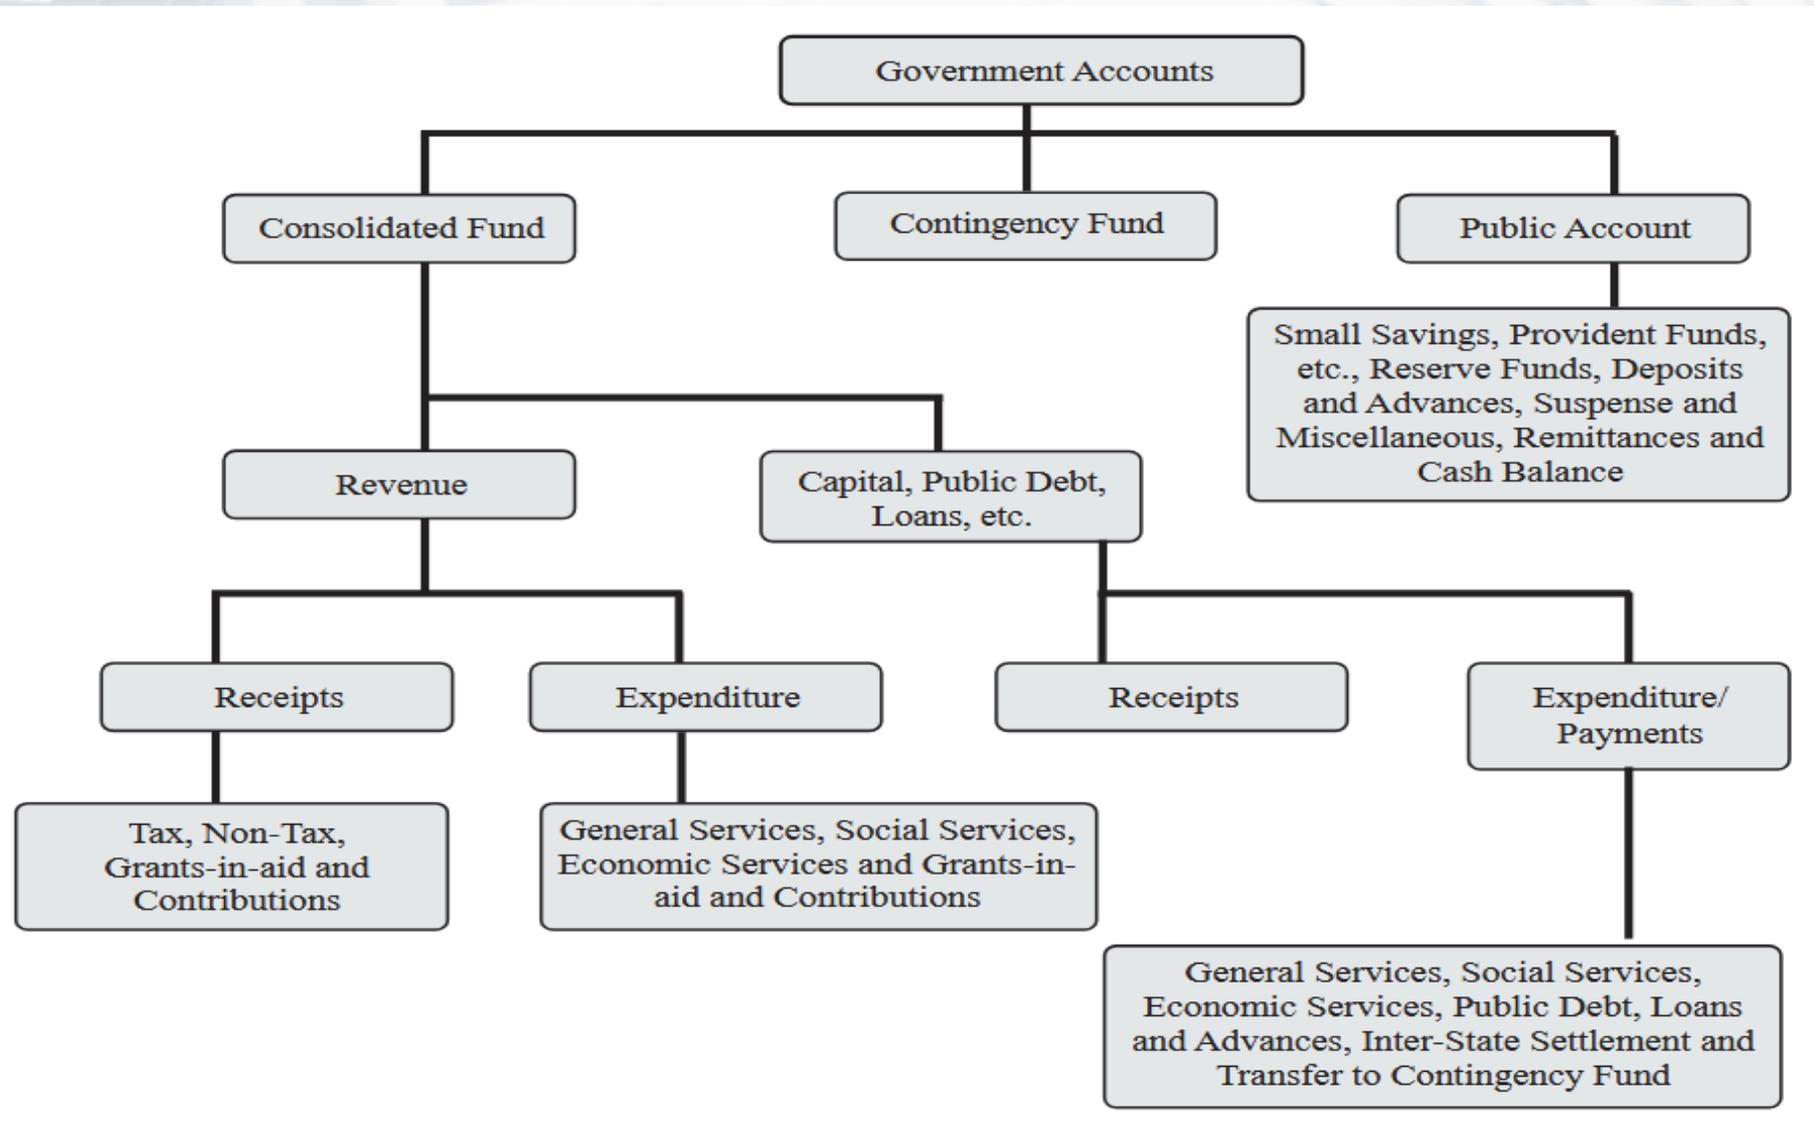

# Budget Coding Reference
