

## **Notice**

It has come to our notice that many Judicial Officers (particularly of Group **B**) have submitted their answers through e-mail without assigning any reason for not appearing in the recently held online examination through the 'Online Exam Portal'. It may be pointed out that from the same station most of the Officers have appeared through the portal and have successfully submitted their answers. The plea of difficulty of logging-in or network connectivity issue does not appear to be very sound.

Henceforth all the Officers are requested to appear in the Online Examination through the '**Online Exam Portal**' and only in case of genuine difficulty the answers can be submitted through e-mail (**latest by 05.40 p.m. on the same day**) after assigning reasons. All the Officers are also requested to promptly inform the office about any difficulty which they face during the examination.
